

## PRODUCT DETAILED SPECIFICATIONS

### HP LASERJET 8000N PRINTER

#### **Hassle-free network printing for your whole department**

Designed for medium and large departments, this hassle-free printer combines the latest technologies with exceptional performance. The HP LaserJet 8000N printer has new features that deliver optimum output fast, up to 24 ppm, with a variety of media and paper-handling options. With HP's FastRes 1200 print quality, you'll get photo-like graphics without performance penalties. Plus, the HP Jet Direct 600N print server provides connectivity for most network environments, supplying cost-effective printer access to your entire department. Best of all, the HP LaserJet 8000N comes with HP's unparalleled reputation for quality, reliability and compatibility.
